

Are your children's paintings and drawings tucked under the bed or hiding in the back of a cupboard?

We preserve your priceless art collection

Stella Artworks provide the perfect solution to turn your children's collection of artwork into beautiful art pieces for you can hang on your wall and enjoy.

The process

- 1 You select the size of your collage and bring your artwork to our studio.
- 2 We photograph each piece, make any necessary touch-ups then carefully combine the images into your chosen arrangement.
- 3 Once printed, you collect your collage along with your original artwork.
